## CONTENTS

### *Shayna Loan*

On July 10, 2023, HUB Cyber Security Ltd. (the “Company”) entered a loan agreement (the “Loan Agreement”) with Shayna LP, a Cayman Islands company (“Shayna”). Pursuant to the Loan Agreement, Shayna agreed to lend to the Company an amount equal to NIS 1.85 million (approximately \$500,000) (the “Loan”). In addition, Shayna has the option in its sole discretion to lend the Company an additional NIS 1.15 million (approximately \$312,000) following the execution of the Loan Agreement on the same terms and conditions as the Loan.

The Loan will not bear interest other than in the event that if certain payments under the Loan as set forth in the Loan Agreement are not timely made, the Loan will bear interest at the rate of 8% annual until paid in full.

The Loan will be convertible at the option of Shayna at a conversion price equal to a 40% discount to the lower of (i) the average closing price of the Company’s ordinary shares during the five trading days preceding the date of the conversion notice or (ii) the lowest closing price of the Company’s ordinary shares during the five trading days preceding the date on which the Company’s Board of Directors approved the Loan Agreement. The Loan Agreement also served to amend the Company’s prior loan agreements entered into in each of February 2023 and June 2023 with Shayna (the “Prior Loan Agreements”) to reduce the conversion price of the shares to be issued upon conversion of the loan granted under the Prior Loan Agreements (the “Prior Loans” and, together with the Loan, the “Shayna Loans”) to be identical to the conversion price under the Loan Agreement.

Further, as in the Prior Loan Agreements, the Company agreed to file a registration statement on Form F-1 (the “Registration Statement”) to register (i) the shares issuable upon conversion of the Shayna Loans; (ii) the warrants issuable under the Loan Agreement with Shayna from February 2023 (the “February 2023 Loan”) and (iii) the shares issuable upon exercisable of the warrants to be issued under the February 2023 Loan, no later than 7 days following the filing by the Company of its Annual Report on Form 20-F for the year ended December 31, 2022 (the “Form 20-F”) with the United States Securities and Exchange Commission (the “SEC”). The Company also agreed to make every effort and take all the necessary actions so that the aforementioned registration statement will be declared effective by the SEC as early as possible after its submission to the SEC and in order for it to remain effective until all shares held by Shayna are sold or freely tradable under Rule 144 without giving effect to volume or manner of sale limitations. The Company will bear all the costs associated with such registration.

In addition, Shayna will not be allowed to convert the Shayna Loans, and the Company will not issue shares in respect of a conversion notice, if the conversion would require the approval of the Company’s shareholders in accordance with section 270(5) and section 274 of the Companies Law, and this conversion and allocation will be postponed to the earliest date given in accordance with section 270(5) and Article 274 of the Companies Law.

If, at any point following the conversion of the Loans, Shayna were to own 7% or more of the Company’s issued and outstanding shares, Shayna will be entitled to require the Company, to register for resale all of the Company’s shares for resale by Shayna, as well as the Company’s shares that may be allocated upon exercising warrants, which Shayna will be entitled to as a result of the conversion of the Loans on Form F-1 or Form F-3, as applicable, within 21 days after receiving a written notice from Shayna. Additionally, pursuant to the Loan Agreements, Shayna will be entitled to standard “piggyback registration rights” in any case that the Company submits a registration document to the SEC to register the Company’s shares for itself or any other party and will also be entitled to participate in any sale of shares under that registration statement. The Company has agreed to enter into a standard registration rights agreements within 14 days of signing the Loan Agreement reflecting these terms.

In connection with the Loan, the Company agreed to pay a commission equal to NIS 92,500 (approximately \$20,000) to an affiliate entity of Shayna. In addition, commencing on August 10, 2023, the Company agreed to pay to Shayna a consulting fee equal to \$95,900 per month (plus value added tax) in 12 equal monthly payments, totaling \$1,150,800. This amount is inclusive of any consulting fees previously agreed to be paid by the Company to Shayna under the Prior Loan Agreements.

In connection with the Loan Agreement, the Company agreed, subject to certain exceptions, not to enter into certain transactions (without Shayna's approval) during the period between the signing of the Loan Agreement and the date of the issuance of shares and warrants upon conversion of the Loans, including, among others, amendment of the Company's Articles of Association, harming Shayna's rights under the Loan Agreement, distributing dividends and profits to shareholders, entering into related-party transactions and granting further liens on the Company's property and assets.

#### *Share Pledges*

In order to guarantee Shayna's rights under the Loan Agreement and to receive the brokerage and consulting fees set forth above, each of Vizerion Ltd. A-Labs and Uzi Moskovich (together the "Pledgors"), agreed to pledge all shares and warrants of the Company held by them in favor of Shayna. This pledge was in addition to the pledges granted previously by each of Vizerion Ltd. A-Labs and Uzi Moskovich under the Prior Loan Agreements. If the Company fails to register the shares issuable upon conversion of the Loans within 90 days of the signing of the Loan Agreement, then the Shayna may, at its sole option, foreclose on the shares, in proportion the holding of each of the Pledgors, in exchange for assigning Shayna's rights according to the Loan Agreement to the Pledgors for the allocation of shares in the same number that was exercised by Shayna, and all other rights of Shayna under this Agreement will remain in effect. If the registration of the shares is completed and Shayna is paid in full for the consultation fee noted above, the pledges on the shares will be canceled.

The foregoing is a summary description of certain terms of the Loan Agreement and the Loan and, by its nature, is incomplete. A translated copy of the Loan Agreement will be filed as an exhibit to the Company's Form 20-F. The foregoing descriptions of the Loan Agreement is qualified in its entirety by reference to such Loan Agreement, when available. The Loan Agreement contains customary representations and warranties, covenants and indemnification provisions that the parties made to, and solely for the benefit of, each other in the context of all of the terms and conditions of such agreements and in the context of the specific relationship between the parties thereto.

#### *Liquidity Update*

The Company entered into the Loan Agreement as a result of liquidity and cash flow concerns that have arisen from the Company's failure to file its Form 20-F due to the pendency of the previously announced Special Committee investigation. Due to the ongoing investigation and the above-mentioned delay in the filing of the Form 20-F, along with other factors related to the Company's business operations, the Company faces significant uncertainty regarding the adequacy of its liquidity and capital resources and its ability to repay its obligations as they become due.

Due to the significant uncertainty regarding the Company's liquidity and capital resources, its ability to repay its obligations as they become due and the filing date of the Form 20-F, the Company anticipates that the financial statements to be included in the Form 20-F, when filed, will include a note expressing substantial doubt about the Company's ability to continue as a going concern as the date of filing of the Form 20-F. The Company's management is closely monitoring the situation and has been attempting to alleviate the liquidity and capital resources concerns through workforce reductions, interim financing facilities and other capital raising efforts, like the Loan Agreement with Shayna, which can be converted into the Company's securities at a later time.

The Company continues to work towards completing its audit for the fiscal year ended December 31, 2022 and, while the Company believes that significant progress has been made, at this time, inter alia due to the internal investigation and the continued review of the findings by the Company's Audit Committee and the Company's independent auditors, the audit has not yet been finalized. Accordingly, the filing date of the Form 20-F remains uncertain.

Upon filing of the Form 20-F, the Company expects to be able to obtain additional sources of debt and equity financing, together with additional revenues from new business opportunities and has engaged with potential investors with regards to such financing alternatives. However, such opportunities remain uncertain and are predicated upon events and circumstances which are outside the Company's control.

## *Class Action Suit*

On July 6, 2023, a claim was filed against the Company in the United States District Court for the Southern District of New York alleging a violation of Section 12(a)(2) of the Securities Act (the '33 Act). The complaint alleges that the Company made misrepresentations in its prospectus related to the business combination with Mount Rainier Acquisition Corp. regarding the proposed \$50 million PIPE financing and the minimum cash closing condition required to complete the business combination.

As of the date of this report, the Company is still examining the claim and its potential defenses thereto and therefore, at this stage, is unable to assess the chances for success of the claim and the outcome of the suit on the Company. The Company expects to defend against these claims vigorously.

The information in this Report on Form 6-K is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing made by the Company under the Securities Act of 1933, as amended, or the Exchange Act, except as otherwise set forth herein or as shall be expressly set forth by specific reference in such a filing.
