Nasdaq Market Value of Listed Securities Deficiency Letter

On September 23, 2026, HUB Cyber Security Ltd. (the “Company”) received a letter from the Listing Qualifications staff of The Nasdaq Stock Market (“Nasdaq”) notifying the Company that, for the prior 30 consecutive business days, the Market Value of Listed Securities (“MVLS”) for the Company was below the \$35 million minimum MVLS requirement for continued listing on Nasdaq under Nasdaq Listing Rule 5550(b)(2) (the “MVLS Rule”).

Pursuant to Nasdaq Listing Rule 5810(c)(3)(C), the Company has a compliance period of 180 calendar days, or until March 22, 2027 (the “Compliance Period”), to regain compliance with the MVLS Rule. If at any time during the Compliance Period, the MVLS for the Company is at least \$35 million for a minimum of ten consecutive business days, Nasdaq will provide the Company a written confirmation of compliance and this matter will be closed.

In the event that the Company does not regain compliance with the MLVS Rule during the Compliance Period, Nasdaq will provide written notification that the Company’s securities will be subject to delisting. In the event of such notification, the Nasdaq rules permit the Company an opportunity to appeal Nasdaq’s determination.

The Company is currently evaluating options to regain compliance and intends to timely regain compliance with the MVLS Rule. Although the Company will use all reasonable efforts to achieve compliance with the MVLS Rule, there can be no assurance that the Company will be able to regain compliance with the MVLS Rule or will otherwise be in compliance with other Nasdaq continued listing requirements.

On September 25, 2026, the Company issued a press release announcing receipt of the deficiency letter. A copy of this press release is attached to this Report on Form 6-K (this “Report”) as Exhibit 99.1 and is incorporated herein by reference.

The information in this Report is being furnished and shall not be deemed “filed” for the purposes of Section 18 of the Exchange Act , or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference in any filing made by the Company under the Securities Act of 1933, as amended, or the Exchange Act, except as otherwise set forth herein or as shall be expressly set forth by specific reference in such a filing.

HUB Cyber Security Announces Receipt of Nasdaq Notification Regarding Market Value of Listed Securities Requirement

Tel Aviv, Israel – September 25, 2026 – **HUB Cyber Security Ltd.** (Nasdaq: HUBC) (“**HUB**” or the “**Company**”) today announced that on September 23, 2026 it received a letter from The Nasdaq Stock Market LLC (“**Nasdaq**”), notifying the Company that it is currently not in compliance with Nasdaq Listing Rule 5550(b)(2), which requires the Company to maintain a minimum Market Value of Listed Securities of US\$35 million (“**MVLS**”) for continued listing on The Nasdaq Capital Market (the “**MVLS Requirement**”). This press release is issued pursuant to Nasdaq Listing Rule 5810(b), which requires prompt disclosure of receipt of a deficiency notification. The notification has no immediate effect on the listing of the Company’s ordinary shares, which will continue to trade uninterrupted on Nasdaq under the ticker “HUBC.”

Pursuant to Nasdaq Listing Rule 5810(c)(3)(C), the Company has a compliance period of 180 calendar days, or until March 22, 2027 (the “**Compliance Period**”), to regain compliance with Nasdaq’s MVLS Requirement. If at any time during the Compliance Period, the Company’s MVLS closes at US\$35 million or more for a minimum of 10 consecutive business days, Nasdaq will provide the Company written confirmation of compliance, and the matter will be closed. If the Company fails to regain compliance within the Compliance Period, the Company will receive written notification that its securities are subject to delisting, and it would have the right to a hearing before an independent panel pursuant to the procedures set forth in the applicable Nasdaq Listing Rules. The hearing request would stay any suspension or delisting action pending the conclusion of the hearing process. However, there can be no assurance, if the Company does appeal the delisting determination by Nasdaq to the hearings panel, that such appeal would be successful.

The Company intends to take all reasonable measures available to regain compliance with MVLS Requirement under the Nasdaq Listing Rules and to remain listed on Nasdaq. However, there can be no assurances that the Company would ultimately be able to regain compliance with all applicable requirements for continued listing on the Nasdaq Capital Market.
